- Contemporary design combines handsome styling with multiple configuration possibilities allowing you to create the ultimate home theater experience right in the comfort of your own home.
- Each deeply padded armrest has a drink holder that's generously sized to hold most cans, bottles and cups.
- True wallsaver reclining – fully reclines inches away from the wall, allowing greater decorating flexibility and more efficient use of space.
- Power recline option lets you recline automatically and can be stopped at any position.
