Do you want to see your theater before you order? Need to see how the wall panel colors will look with the seats you choose? Want to see how the carpet will look with 2 risers and wall pillars? We can do it for you, and refund the money if you place an order for seats and decor! What we do is take your room information, any pictures, dimensions, window & door placements, ceiling height & type and create live shots the room your converting or accenting. We can also do concession areas and ceiling treatments. This service is a great tool for viewing your potential theater room before purchasing.

The render service is \$129.00 and is completely refundable upon purchase of seats and decor. Now you can see how this product all fits together in your own home! Don't forget that we can render your room with or without seating! If you have existing seating and just want to see theater decor and color scheme we can do that too!
