

- **Wallhugger Seating** - The recline mechanism allows the chair to fully recline even when placed within inches of a wall.
- **Optional Montage Warranty** - Add a 5 year top shelf warranty to your product. If your new furniture is covered by this warranty and becomes accidentally stained or damaged.
- **Optional Lighted Cupholder** - The ambient blue light gives off a nice soft glow that makes finding your drink a breeze in low light conditions.
- **Optional Pro Buttshaker** - Imagine the sensation of feel added to the boom of the bass, have your seat respond to the sound you are seeing in real time.

Distance from wall needed for full recline: 6"
Seatback Height: 31"
